## For Sagging Arch Bones

If you will give a moment of attention now to the condition of your arches it may save you great pain and inconvenience later.

The falling of the arch is frequently a long, slow process, and sometimes not recognized until the final pains are felt. Then, usually, the arch has entirely failed.

At the Coward Shoe store we give special attention to the early stages of this trouble. Our service has enabled many of our customers to avoid a completely fallen arch and has been the means of helping the foot back to normal.

The Coward Arch Support Shoe is the original shoe for this purpose.

U.S. SALORS FIND  
A HOME ON LAND IN  
NEW CLUB HOUSEIt's in the Brander Matthews  
House on West End  
Avenue

News from the fleet of a Southern  
shipyard on the North River were  
told yesterday. The members of the  
clubhouse and sailors' club, 481  
West End Avenue, corner of Ninety-  
third Street. And they found plenty  
with which to amuse themselves.

The club was formally opened yester-  
day afternoon. Mayor Mitchell was  
one of the speakers. The band from  
the Navy Yard played tunes of the  
sea and airs of the "Nancy Lee,"  
"Goodbye Broadway, Hello France,"  
"Our Jack's Come Home From Sea  
Today," "Keep the Home Fires  
Burning" and the like, during the  
afternoon and evening.

Prof. Brander Matthews generously  
donated his house to be used as a  
club for sailors and sailors while  
the war lasts, and the National  
Aid Society had done the rest. On the second floor is a canteen  
where cigarettes, cigars, coffee, candy,  
sandwiches, cake, etc., may be bought  
at nominal figures. The upper rooms  
have been turned into recreation  
quarters for the men of the sea and  
those who may be soon in the  
trenches.

There is a billiard room, pool room,  
card room, writing rooms and writ-  
ing material, lounge smoking room,  
although smoking is permitted in all  
parts of the club, and a dozen cots,  
in case the army or navy may want  
to spend the night.

Rear Admiral Bradley Allan Blake,  
retired, congratulated the ladies on  
the good work they had done, and  
was sure that he could bespeak the  
appreciation of the army as well as  
the navy.

The committee of the National  
Special Aid Society having the club  
in charge comprises Mrs. Charles  
A. Childs, Chairman; Miss Jessie K.  
Watson, Vice Chairman; Mrs. John  
C. Kerr, Entertainment; Miss Isabelle  
Hardie, House; Mrs. J. Nelson  
Shreve, Canteen; Mrs. Elton Butler  
Whiting, Treasurer.

Mrs. Whiting is the mother of  
Lieut. Commander Kenneth Whiting,  
first of the aviators to be ordered to  
France by the Government. His wife  
was one of the guests in the after-  
noon.

Bets \$2,500 Even That Hyman Will  
Be Defeated.

Ambrose Neal, Republican leader of  
the Sixteenth Assembly District,  
Manhattan, bet \$2,500 even on the  
field against Hyman yesterday, a Stock  
Exchange firm taking the Hyman end.  
Percy Guard, curb broker, offered  
\$2,500 even on Hyman and placed some  
small bets—\$100 and \$200—on the  
Brooklyn Judge at 6 to 6. He also  
offered \$6,000 against \$6,000 that  
Mitchell will be defeated.

Drops Dead Preparing Breakfast.  
Mrs. Margaret Ludwig, aged sixty,  
dropped dead early to-day at No. 362  
Bushwick Avenue, Williamsburg, as she  
was getting breakfast. She was found  
by her three children, Frank, Eva and  
Margaret. Dr. Brigman of St. Cath-  
arine's Hospital said death was due to  
heart disease.

Strike Troubles Food Prices in  
Argentine Republic.  
BUENOS AIRES, Oct. 2.—Food prices  
trebled to-day when the stevedores  
joined the general strike. Great suffer-  
ing has been caused among the poorer  
classes by scarcity of food, particularly  
milk.

THE ONLY MEDICINE  
THAT HELPED HER"Fruit-a-tives" Again Proves  
Its Extraordinary Powers

Rochon, Que., March 2nd, 1915.

"I have received the most wonderful  
benefit from taking 'Fruit-a-tives.' I  
suffered for years from Rheumatism  
and change of life, and I took every  
remedy obtainable without results. I  
tried 'Fruit-a-tives' and it was the  
only medicine that really did me good.  
Now I am entirely well — the Rheu-  
matism has disappeared and the ter-  
rible pains in my body are all gone. I  
hope that others who suffer from such  
distressing diseases will try 'Fruit-  
a-tives.'" Madame ISABEL ROCHON.
